Agriturismo Cà San Sebastiano

Category: Farmhouse holiday Agencies
business description: Ancient rural house converted into a charming relais, located in a quaint hilltop village of Monferrato Casalese, about one hour's drive from the main cities of Northern Italy.
From here, you can visit the towns of Casale Monferrato, Asti and Vercelli and discover the villages and landscapes of Monferrato and the nearby areas of Roero and Langhe. Lake Maggiore and Lake Orta are both an hour's drive away. For sports enthusiasts there is a tennis court in the village (about 300 meters from the facility) and a golf course about 5 km away.
The area is ideal for walks and mountain bike tours.
It avails of rooms and suites, an exclusive Wellness Center with wine-therapy and a characteristic restaurant.
Panoramic outdoor swimming pool with whirlpool and Day Spa with heated swimming pool and bio sauna. Wine production and visits to the cellars with tasting sessions. The facility consists of several rural houses that have been converted with great love and attention to detail into new bedrooms and several apartments, fully equipped and furnished with antique-style furniture. It is possible to stay for just 1 night in bed and breakfast or for a weekend enjoying the typical local cuisine and relaxing in the various wellness areas. Alternatively, you can rent the apartment for a week and discover a land that is still unspoiled.
Restaurant 'San Sebastiano',
is a place full of charm, ideal for couples, groups of friends or companies looking for a quiet atmosphere in which to taste cooking closely linked to the farming culture of the house and of the land. Naturally, the food is served with the famous wines of Monferrato produced by the owners themselves in the wine cellars of Camino, which can be visited on request. The facility makes available several wellness areas: the Divinum wellness centre, accessed in absolute exclusivity and privacy (mainly in couples or small groups) and where you can book a 2 hour 'wellness circuit' with wine therapy, steam bath with aroma therapy and chromotherapy, contrast waterfall shower, multi-jet whirlpool bath and relaxation area; the brand new Acquavitae Wellness Centre that offers a small but delightful indoor heated pool and various whirlpool stations (including a very impressive 'tub in the cave') plus a bio sauna, a relaxation area with unlimited herbal teas, various areas with cabins where you can choose different types of massages and facial and body treatments, all based on the revitalizing and anti-aging properties of grapes. Try the 'Revitalizing treatment with' grape seed mud ', ideal for restoring tone to facial and body skin. There are also a number of areas with exclusive access: one for couples' wine-therapy and a cabin for the relaxing herbal bath. It is also accessible in Day Spa combining one or more activities with the delicious cuisine of the Resort restaurant, based on local products that are both seasonal and genuine. The facility also has an outdoor swimming pool for the summer (available to guests).
