AGRITURISMO LA FONTANA

Category: Farmhouse holiday Agencies
business description: In the hills of Monferrato, a place far from the ordinary.
The company's guiding principle is that the land is not just a profession but an art to be shared and passed down.
It is with this in mind that the La Fontana agriturismo was born: a healthy, rustic environment where the flavors of good food blend with wines whose quality is a natural response from the land, not the result of human intervention.
