Al Cortese - Villa Pomela

Category: Restaurants and taverns
business description: The Villa Pomela Restaurant, spacious and bright, overlooks the centuries-old park surrounding the villa.
Ideal for a romantic dinner for two, but also for creating menus for exclusive gala evenings, customizing wedding receptions, ceremonies, private events, and successful business dinners, as well as elegant aperitif buffets and memorable evenings.

It offers a personalized and refined menu in the exclusive setting of the famous Gavi Hills, interpreting the finest traditional recipes.
A carefully selected wine cellar complements the dishes with renowned local and international wines.
During the summer, all catering services can also be held outdoors thanks to the gazebo overlooking the park.
