Almaranto

Category: Hotels and tourist residences
business description: In Piedmont, at the border between Langhe and Monferrato, rises a new haven of hospitality.
Almaranto is the perfect place for a relaxing stay accompanied by a divine culinary experience. It is also an excellent base from which to explore the cultural heritage of the UNESCO landscapes of the surrounding hills.
Unique bedrooms and suites, an elegant restaurant serving fine food and wine, and a bistro with a more casual ambience, a modern cooking school and plenty of space, including outdoors, for relaxation and wellbeing
We offer availability from December 2021 to April 2022.
The voucher is valid for midweek stays, excluding long weekends and bank holidays.
