AZ. AGR. IL CASONE

Category: Fruit and Vegetables
business description: Il Casone, the historic farm located in Isola San Antonio (AL), has been producing melons for 30 years. Cultivation is the result of an experience handed down from father to son in the Dallera family and of the techniques with a low impact on the environment. Here you will find smooth and high-end melons, sliced or unsliced and French Charentais. The 3500 quintals of melons produced per year are branded Pat (traditional agrifood products) and come from over 10 years of analytical checks to find a perfect flawless fruit. Their fruits can also be found in the centre of Alessandria in via Milano, 33.
