AZ. AGR. LA SERETA

Category: Canned food
business description: Barbara Coscia and Roberto Pisani have created an authentic agritourism where, on reservation, one can eat and overnight in this beautiful valley immersed in the forests between Liguria and Piedmont. From the fields there are apples, berries, vegetables, potatoes and medicinal plants. Enjoy the rose syrup (infusion of Muscosa e Rugosa rose petals, water, sugar and a little lemon), fruit preserves, currant jellies and Sambuchino, a delicate and natural sparkling highly refreshing drink.
