BERGAGLIO NICOLA

Category: Cantine
business description: "Minaia" Gavi DOCG Nicola Bergaglio.
Minaia by Nicola Bergaglio is a wine made exclusively from Cortese grapes. The vineyard from which the grapes are grown is located next to the winery, overlooking it, creating a particularly evocative atmosphere. This vineyard invites visitors to enjoy the view and the excitement of their visit: medium-sloping terrain, an altitude of 300 meters, and very close to the Bergaglio winery. The Minaia cru is also considered the most representative and consistent of the wines in the area.
A Gavi that captivates and excites, its craftsmanship is exquisite. A taste that reveals not only elegance, but also structure and consistency. The Bergaglio family's experience ensures this wine a prominent place, considering it their most important Gavi.
