Casa Serra Tersilia

Category: Holiday Houses and Apartments
business description: Nestled among the valleys and hills of the paleontological nature reserve of Valleandona, Valle Grande and Val Botto, ideal gateway to the Monferrato, Langhe and Roero recently granted UNESCO world heritage site status, Casa Serra Monferrato is a small paradise located in the countryside of Asti. The farmhouse, which tastefully joins traditional and contemporary design, offers all necessary amenities, including a private car park and free Wi-Fi, within the family context of the Cerrato family. Casa Serra Monferrato is located inside the homonymous farm which guests can visit. A large terrace and well-kept garden are also available to guests. Casa Serra Belvedere is powered primarily by renewable energy.
