Castello di Cisterna d'Asti - Museo Arti e Mestieri di un Tempo

Category: Museum
business description: Housed in the halls of the medieval castle, the ethnographic museum contains more than 6,000 objects dating from 1600 to 1900. It allows visitors to relive the environments and atmospheres of ancient artisan workshops, the peasant homes of the past, and the workshops of many trades, some of which have now completely disappeared.
