business description:

A heartfelt welcome to Da Betty guesthouse! Once upon a time, there was a farm with animals, vineyards and the cellar... Today, the portion of house occupied by Da Betty is refined. The rooms are elegant, bright and tastefully furnished; all feature a spacious private bathroom. An enchanting location, immersed in the tranquillity of the countryside and just a few minutes from the city. Private parking and a corner in the garden in which to relax. The flexibility and warmth experienced here are sure to make your stay outstanding! On our website, you will always find updated information on how we propose to protect you and transmit safety in freedom in accordance with the rules. Until August 2020 (extendable), we propose the exclusiveness of a stay among a few guests - room and breakfast - thereby reducing the anguish of the use of masks and distancing.
