business description:

Gavi del Comune di Gavi Etichetta Gialla - Gavi del Comune di Gavi Etichetta Nera - Gavi Riserva “Vigna delle Rovere Verde” - Gavi Spumante Metodo Classico Possibility of overnight accommodation A family-run company, certified organic, in the heart of Gavi: we are three sisters, Paola, Francesca and Anna, and we manage La Mesma. We are small producers and proud of it: we manage the entire cycle and protect the vineyards and the environment because they are our heritage. We have chosen to grow only cortese, 25 hectares, and produce il Gavi docg in all the types envisaged by the specifications. All phases of production of Gavi La Mesma take place in our winery in Tassarolo. Inside the estate, among the vineyards, towers a rare example of green oak, registered among the monumental trees of Piedmont, which oral tradition dates back to the 14th century.
