La Risto - Ristorazione sociale

Category: Restaurants and taverns
business description: Ristorazione Sociale was founded in December 2010 through a collaboration between the Coompany & Social Cooperative, the Municipality of Alessandria, and the Orti in Città association. It offers everyone the opportunity to enjoy a meal at affordable prices, with a focus on practices aimed at minimizing waste and protecting the environment. It hosts and promotes various activities such as music, theater, training sessions, meetings, and awareness-raising activities for the local community in all its aspects.
