MACELLERIA GUASTAVIGNA

Category: Meat and meat products
business description:

If you are looking for some good Fassone meat, go to Bergamasco where Gian Paolo Guastavigna is known for the cattle personally selected in the sheds of the area and slaughtered in the premises next to the shop. He breeds some fat oxen, to be slaughtered on special occasions. Gian Paolo is also an expert truffle hunter and finds them in the woods around Nizza Monferrato.
