Museo Bersano delle Contadinerie e Stampe Antiche del Vino

Category: Museum
business description: The museum collects a considerable testimony on wine production and life in the ancient farmhouses of Piedmont (the objects include wine presses of the 17th and 18th centuries). This is accompanied by iconographies from the 17th century to date that include rare prints and labels.

Booking is required to visit the museum. For more information, refer to the link below.
