PAOLO ANGELINI VITICOLTORI DAL 1922

Category: Cantine Accoglienti
business description: Barbera del M.to Superiore DOCG“Adamant” - Barbera del M.to DOC “Jenerosa” - Piemonte DOC Syrah "Nesy" - Grignolino del Monferrato Casalese Riserva DOCG Monferace

Situated in the heart of Piedmont, on the rolling hills of Monferrato, Paolo Angelini Viticoltori consists of 40 hectares of vineyards distributed over soil that ranges from very calcareous to very clayey. Each single variety has found its ideal place to give the best results. The recently renovated wine cellar, together with the production techniques used to enhance the characteristics of each single vine, allows us to have a vast range of wines closely connected to our territory. History has taught us respect for the classical vines of Monferrato, namely Barbera and Grignolino, while curiosity has encouraged us to dare with Viognier and Syrah. Four generations of winegrowers, for a future with roots embedded in 100 years of history and experience.
