TENUTA MONTEBELLO

Category: Cantine
business description: Barbera, Dolcetto, Bonarda, and Cortese: Monferrato in the vineyard. From these grapes, through meticulous care in the fields, careful selection, and meticulous oenology, we produce DOC wines that unmistakably describe this area.
The winery is equipped with the most ancient and modern technologies for winemaking that respects tradition while also incorporating practical solutions that enhance and highlight the characteristics and potential of our grapes. The winery is open to visitors (by appointment) year-round. You can purchase wines, both in bulk and by the bottle, as well as all other products from our land, at the shop adjacent to the winery.
