TEO E BIA - LA SALUTE IN TAVOLA

Category: Pastry, honey, chocolate, jam
business description: Teo and Bia, namely the philosophy of healthy eating. Here you will find sweet and savory food made with organic products without shortening, preservatives or polyphosphates. Those with food intolerance can enjoy biscuits made with kamut flour, baci di dama of rye flour and savory snacks of spelt pastry. New entries include organic spread, suitable for those intolerant to milk and people with celiac disease.
